About VOGO

VOGO develops, markets and distributes live & replay, audio and video solutions for spectators and professionals in sports arenas. VOGO's disruptive solution for spectators transforms the stadium experience by providing multi-camera content on demand for viewing on tablets and smartphones, irrespective of the number of people connected. In the professional sphere, VOGO's video solution provides analytical and decision-making tools (referee assistance, medical diagnostics, coaching, etc.). The acquisition of Vokkero® in October 2019 enriched this range of professional solutions, with the integration of an internationally recognised line of audio communications systems. All of the Group's technologies have patent protection. They have already been implemented across more than 20 different sport disciplines. VOGO is present in France (Montpellier and Crolles) and in North America, with an office in New York. The Group has been listed on the Euronext Growth Paris stock market since November 2018 (ISIN code: FR0011532225 – ALVGO).
