

KEY BENEFITS

- 

Hands-free system, instant and continuous communication
- 

Noise filter: clear, intelligible HD communication
- 

Specific roles available: offensive, defensive, head coach
- 

Alarm function: vibrate or beep
- 

Intuitive operation, no fixed installation required
- 

Up to 16 coaches in full-duplex mode

VOKKERO STAFF C2C facilitates instant communication within American Football coaching teams. With fast, efficient decision-making, coaches' strategic choices are improved.

Totally hands-free, VOKKERO STAFF C2C is lightweight, easy to use and requires no installation.

With its patented noise filter, it delivers excellent audio quality, even in the most disturbed environments. Its dedicated operating frequencies prevent interference with the referees' VOKKERO ELITE radio system.
