VOKKERO COMPAK

HANDS FREE, ENHANCED SECURITY. TIME SAVED!

Ready to use straight out of the box, the VOKKERO COMPAK provides full-duplex, hands-free communication without the need for configuration, it ensures instant exchanges and seamless coordination in any environment.

With COMPAK, the VOKKERO technology is made accessible to all, to gain in safety, efficiency and team cohesion.

Specifically designed for loud settings, such as construction, industrial or energy sectors, it features a patented noise filter. Open the case. Turn on. Talk.

Hands free, reinforced security. Time saved with VOKKERO COMPAK.

ITS ADVANTAGES:

Easy to use

Deploys in seconds without configuration.

Hands-free

Hands-free system, instant and continuous full duplex communication.

Noise filter

Clear and reliable sound: innovative noise filter, low latency.

Users

4 users maximum in the same conference.

Compact and sleek design

Lightweight, compact with built in antenna.

Bluethooth

Bluethooth compatibility with headset accessories.

In its black case, VOKKERO COMPAK stands out as a real ally on the ground.
